The text of the abstract itself.

! The Abstract should not be more than two pages. Undesirable connection of additional packages. Do not use non-standard packages and overrides of commands and expressions.

Do not use environments and commands, causing sequentially numbered formulas, bibliography, theorems (equation, bibliography, ...).

Numbering of formulas should be done with the command eqno, for instance:

$$f(x) = 0. \tag{1}$$

For uniformity, formulations of the theorems, lemmas, etc. issued in the form

Theorem 1. *Text.*

Acceptable including graphics (formats png, jpg, bmp, eps, tif).

References are indicated as: [1]; [1],[2].

Bibliography is made according to the following pattern:
